Product Name // 8 Contacts Male Standard Rectangular Grey Connector

 [View Product Page](#)

// Product Description:

- 8 Contacts Male Standard Rectangular Grey Connector
  - Enhanced Seal Protection (ESR), Protective End Cap (PEC), Terminating Resistor (TER), Shrink Boot Adapter (SBA), Welded Flange (WFL) and Y-Type Connector (YTY) Available
  - Water and dustproof to IP68 when mated with compatible connector
  - Mate with PX0101 Series, as appropriate
- WedgeLOCKS provided
  - Crimp Terminals
  - Mechanical Cycles = 100 (min)
  - Operating Temperature = -25Â°C to +120Â°C

// General Information:

|                            |                                                     |
|----------------------------|-----------------------------------------------------|
| Product Display Title:     | 8 Contacts Male Standard Rectangular Grey Connector |
| Product Family:            | Rectangular Connectors                              |
| Product Series:            | Standard Rectangular Connectors                     |
| Body Colour:               | Grey                                                |
| Body Material:             | Polycarbonate/Polybutylene Terephthalate (PC/PBT)   |
| Body Material Type:        | Plastic Body                                        |
| Contact Type:              | Socket Contact                                      |
| Coupling Type:             | Snap-in                                             |
| Current Max:               | 13A                                                 |
| Ip Rating:                 | IP68                                                |
| Max Operating Temperature: | +120°C                                              |
| Min Operating Temperature: | -40°C                                               |
| Number Of Contacts:        | 8 Contacts                                          |
| Voltage Max:               | 250V                                                |
